*The Sandpiper Class Association has been founded, effective December 1, 2012.
The Sandpiper is now a one-design class member of U.S. Sailing.*

Our Catboat hulls and decks are one piece molded fiberglass with integral centerboard trunk. The decks and transoms are reinforced with closed cell foam. White hull is standard, with deck and cockpit color choice of buff, bone, white or gray. Cabin sides on the Marshall 22 and the Sanderling are white. Bottom is painted with two coats anti-fouling paint.
