### WILLET

Year/Model: 2004 Sanderling Daysailer

Hull #: MMC18779L304

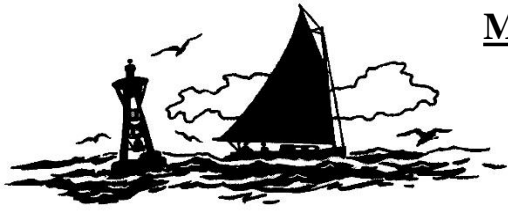

Location: South Dartmouth, MA

Asking Price: \$25,000.<sup>00</sup>

DESCRIPTION: WILLET is a 2004 Sanderling Daysailer model that is in very good condition. All of the running rigging was replaced last season with braided line. A new trailer was purchased in 2014 along with a Torqeedo electric outboard for auxiliary propulsion. Having been well cared for by her current owner he no longer has the time the boat deserves, and has decided to find WILLET a new home. If you have been looking for a daysailer version of our Marshall Sanderling that needs little more than pre-season prep to the brightwork, then WILLET is definitely worth a look.
